THE ADVENTURES OF

TINTIN AND THE PICAROS

MAGNET

TINTIN AND THE PICAROS

Ah! there you are... Come on in. I want you to read something. Look what I found in the latest "Paris-Flash" ...

"Opera star Bianca Castafiore continues her brilliant progress through South America. After triumphs in Ecuador, Colombia and Venezuela, she visits San Theodoros, where she will be received by General Tapioca."

General Tapioca... Didn't he topple our old friend Alcazar?

Yes, with the help of the Kûrvi-Tasch regime in Borduria. They say Tapioca's a real tyrant... he's cruel and he's vain...

... In fact he's so vain he changed the name of the capital from Los Dopicos. He called it Tapiopolis after himself. As for poor old Alcazar, he's gone underground with a band of partisans.

Oh, yes: the famous Picaros.

That's right, the Picaros. It's the name adopted by the guerrillas who've sworn to get rid of Tapioca and his mob. They're said to be backed by another great power... commercial and financial this time: the International Banana Company... A rare old mix-up, as you see!

Blistering barnacles, Tintin! What a lecture! ... All that talking makes me thirsty... Here, have a whisky ...

No, thanks. Not for me... You know that.

Oh well... Cheers!

PFOUUGH!

Billions of blue blistering barnacles!... Some anamorphic aardvark switched my whisky for this... this cleaning fluid!

Cleaning Fluid?!?

Well, bottled bilge-water, then... it all tastes much the same, I dare say... Here! Try some!

I...

I'm no expert like you, of course, but it does seem to me to taste just like whisky...

Like whisky?!

My poor young friend, if that's a glass of whisky, I'm a jelled eel! And as you so rightly pointed out, I'm an expert and I know a bit about it!

Of course, of course... But still...

I don't know what that hogwash is, but it certainly isn't whisky. However, just to please you, I'm prepared to give it another try...

Pfouagh!... Filthy!... Foul!... Disgusting!... Disgraceful!...

AH! ♪ MY BEAUTY PAST ♪ COMPARE ...

...THESE JEWELS BRIGHT I WEAR!
...Everyone knows the golden voice of the famous Bianca Castafiore...

Oh yes! We know it all right!

... who continues her triumphant tour through Latin America. Today she arrived in Tapicopolis, capital of San Theodoros ...

...where she met with a tumultuous welcome. As usual, she is attended by her faithful maid, Irma...

...and her accompanist, Igor Wagner. Also in her entourage, to watch over her jewels... insured for millions of dollars...

...are two certified detectives, always on the alert, always following discreetly in her footsteps.

Snowy, you're hopeless! You've drunk all that spilt whisky!

Show what? ... Wassa matter? Wassa matter with a drop of whisky?

H/C

Still, it certainly proves the whisky isn't poisoned.

Come on, off to bed, you old dipso! Sleep off the booze!

Next morning ...

I look horrible this morning ... Must have been that wretched whisky I had yesterday.

Oh well, too bad, can't be helped! ... It's time for the news ...

... no communiqué was issued at the end of the meeting ... Tapiocapoli: Last night the famous prima donna Bianca Castafiore was arrested after a gala performance attended by General Tapioca ...

... Statements by the authorities in San Theodoros have accused the star of plotting against the government ...

Tintin! ... Tintin! ... Something marvellous just happened to General Tapioca!

He's arrested. Castafiore, silly fellow! He doesn't know what he's let himself in for!

Arrested Castafiore? ... No! ...

He has you know: arrested her at the end of a concert ... What a turn up, eh?

You could say so, yes ...

Tintack! ... Capock Hatpin! ... Terrible news! ... Dreadful!

Read this! In the "Daily Reporter" Bianca Castafiore has been arrested!

Castafiore in a conspiracy!
A conspiracy of silence, let's hope!!

DONG

Excuse me, sir, but there are two reporters downstairs... asking if you will see them.

Already?!

All right. Just let me put on a dressing-gown and I'll come.

Why, it's Christopher Willoughby-Drue and Marco Rizzotto of "Paris-Flash". What can I do for you, gentlemen?

Good-morning, Captain. Forgive us for calling so early, but we wanted to be the first to ask what you think of this Castafiore business.

What do I think? ... Perfectly simple!...

I think it's a load of old rubbish! Blistering barnacles! Accusing Castafiore of conspiracy! ... Ridiculous!

Yes, but what about the accusations made against yourself?

Accusations against ME???

Ah, so you don't know about that yet? Here, look... in today's "Trumpeter" ...

Impossible!... Those San Theodolites must be off their tripods!

courageous action which will bring widespread benefits.

CASTAFIORE CONSPIRACY TAPIOCA GOVERNMENT MAKES NEW CHARGES

Tapiocapolis: The Castafiore conspiracy was masterminded from Marlinspike in Western Europe, claimed a government spokesman today. He accused supporters of General Alcazar, and named as principal figures in the plot: Captain Haddock, Tintin the reporter, and Professor Calculus. All three are long-standing friends of General Alcazar. It is known that Signora Bianca Castafiore was recently a guest at Marlinspike Hall, country home of Captain

What is all this? They must be crazy!

You're telling me!

You deny it then?

I'll say we do! The whole story is bilge! Bilge from stem to stern!

DONG ?

'Morning squire! "Daily Reporter"! Hi!

A few words for "Radio-Round", Captain...

... and for "Radio Rave-Up"...

Gentlemen, these accusations are as grotesque as they are false! Us? Conspirators? ... Blue blistering bell-bottomed balderdash!

Seriously... Here comes Professor Calculus. Look at him, then tell me whether you think he's capable of taking part in a conspiracy!

Perfectly, my dear sire! And proud of it!

Perfectly!... And I weigh my words. It's a shame, I tell you! A scandal!... Imprisoning a poor, weak woman like that! We must take her case at once to the International Court of Justice!

You deny the allegations, Captain. All the same, General Alcazar is one of your friends, isn't he?

One of my friends?... I've met him two or three times, that's all.

If you say so. But I take it you won't deny that Signora Castafiore has been a guest here, at your invitation?...

Invitation? You mean invasion! But from that to conspiracy...

Still, let's not discuss it any more. I tell you, the accusations are insane... Now, gentlemen, let me offer you some whisky...

Let's drink to the release of the Milanese Nightingale, and...

... your good health!

Stop! Don't touch it!... There must be some mistake. This whisky is quite undrinkable!

Undrinkable? On the contrary, it's excellent!

Velvet!

Mmm...

You mustn't drink it, I tell you! It tastes like poison!

Of course, of course: a poison that kills slowly! It's a known fact! Ha! ha! ha!

And that's no problem: as it happens, we aren't in a hurry! Ha! ha! ha!

I'm the only one who finds the whisky revolting. Why? There's something fishy going on...

Unless... That's an idea... Maybe it's a new brand Nestor bought.

I must ask him...

I can't understand the master: I find this "Loch Lomond" superb, as always.

I say, Nestor...

Ah! Our hotel, I imagine?

No, señor Commodore. We thought you would prefer the peace of the countryside to the hubbub of the city. Besides, the carnival will be starting shortly... Then there'll be incessant noise round here, all day and all night. You wouldn't get a wink of sleep.

Did you know, a party of your compatriots are joining the festivities this year?

Yes, I saw... The Jolly Follies

Half an hour later

Here we are

You've got us well guarded

Just a simple precaution. Ah yes, the swimming pool is over the other side.

And Tintin was suspicious!

These are your apartments, señor Commodore: I'm sure they will please you.

Of course, a servant will be at your disposal throughout your stay with us...

Too kind, Colonel!

Ah, here he is now!

Three days go by...

But WHEN are we going to see that confounded fellow Tapioca? After all, that's the principal reason we came here!

Instead of which for three days they've shuttled us from the Museum of Ethnography to the birthplace of the Great Liberator General O'vario.

Then to the zoo, then to the cathedral of the Santísima Virgen de la Inmaculada Concepción. And what marvel have they in store for us tomorrow?

A confetti-maker for the carnival? Or perhaps a sombrero factory? Heaven knows what!

You promised me to be home the same night! .. And you've been gone three whole days!

I can explain, palomita mia

Yeah, yeah, I know: any excuse is better than none! And what about me? Eff' totot to in a lousy mud hut? That's real dahanay!

The general promised me a palace in Tapiocapolis! And all the general provides is a beat-up palliasso crawling with bugs and roaches!

But

These guys your friends? .. Oh, I warn them: they think they're gonna make the rules around here, they're mighty mistaken!

Thank you, gracious lady, for those kind words! .. Please believe that we are extremely touched by your generous welcome, and allow me to offer you our most humble respects...

SMACK

That a weak woman should share the hardships and, let us admit it, the dangers of guerrilla life, commands not only our utmost respect but our profound admiration!

.. And I speak in a sincerity, dear lady

You coming Alcazar?

Yes my dove

She seems a little drunk on first acquaintance, but she has a heart of gold...

Of course, General. One sees it immediately...

What a delightful lady!... So graceful! Such exquisite femininity!... As for that poor man

His revolution will never succeed with a collection of drunkards like that. Never, unless someone gives him a hand... And it is I who will do it, Cuthbert Calculus!

You?

You!?

No, gentlemen, I am not a fool!
I know exactly what I am
saying!

You've missed a

My sister?? What about my
sister? What's my sister done to
you? Will you be good enough to
leave my sister out of this?
And now, listen to me

You see this tube of tablets? Well,
it contains a product that I have
recently perfected. It has a base
of medicinal herbs...

The preparation has no taste, no
smell, and is absolutely non-toxic.
Having said that, a single one of
those tablets administered in
either food or drink imparts a
disgusting taste to any alcohol
taken thereafter.

...And the very first person
upon whom I tested it was you,
Captain!

ME?

You dared to do that? ...Borgia!
... Cannibal! ... Miserable
blundering barbecued blister..

I tell you my sister has
absolutely nothing to
do with it!

And furthermore
you can thank me
for being concerned
for your health!

Please
Captain!

It's a disgrace!
A scandal!
A monstrous
attack upon the
personal freedom
of the individual

Precisely! And again yesterday,
with the Indians, you could see
for yourselves the efficacy of
my invention..

But I never knew
you had

No, young man, I am not mad!
And I would ask you to
show a little more respect to
wards a man of mature years!

No no I insist
er

And for heaven's sake stop
talking about my sister!

My sister! Just
a moment...
My sister???

...And another thing!.. I
don't have a sister.. I never
had a sister.. And don't
you forget it!

So there

Stay with him Captain.. And for the time being stop him from doing anything hasty.. I'm off to talk to the General!

Come in!

Ah its you, amigo mio! Come on in

I'm not disturbing you?

Alcazar the dishes!

I'll carry on presently palomita mia I promise!

Sit down, hombre What brings you here?

Another cigar? ..That makes three since you came back!

Does... does it my dove?

I've been thinking over what you said to me earlier, a revolution is impossible while your Pigueros have only one idea in their heads: whisky!

Alas, that's quite true

But what would you say if someone succeeded in curing them of their bad habits?

Ah that's impossible amigo

And yet if you managed to do that, Mr. bombas I'd give you half the gold reserves in the Banco de la Nacion!

Ahem!

... or, let's say a third

Ahem!

Well... er... ten per cent. What about that?

I don't want anything like that - not a centavo, General!

Then what do you want, amigo? Tell me...

A promise that you'll carry out your revolution without bloodshed... that there won't be any reprisals, or executions, or anything of that sort..

WHAT?

You're crazy!... Or else you're a traitor and ought to be shot here and now!

Recently, our beloved President generously invited Captain Haddock, Professor Calculus and the reporter Tintin to our country to put their case. He guaranteed their freedom. And how did they repay him? With cold cynicism! They took the first opportunity to flee into the jungle and join their accomplice Alcazar and his villainous Picaros!

This action alone is enough to prove that the grave accusations against the three defendants are entirely justified. But over now to the Palace of Justice where the Public Prosecutor is putting the case for the Republic...

You have before you, gentle men, two sinister characters who, more easily to accomplish their evil purpose Do I need to remind you of it?

...be assassinate our beloved President, did not hesitate to pass themselves off as honest police men! But their monstrous subtlety Fuge deceived no one! Look at their low brows, their furtive glances!

..In short, look at their brutish faces! Policemen? Them? Cheats! Imposters! Assassins!

Men who, to appear as loyal supporters of General Tapioca and the noble ideology of Kärvi-Tasch, carried their duplicity so far as to grow moustaches!

That's a lie! ... We've been wearing moustaches since we were born!

To be precise, we're worn bearing them!

Silence! ..You will speak when you are spoken to!

..Gentlemen, for these two wretches, who can have no claim to extenuating circumstances, I demand the DEATH PENALTY!

You see? None of your fancy scruples there, eh?

The death penalty!! ... He certainly doesn't mince his words. He means to go the whole hog!

To be precise: his words certainly mean he's going to mince the whole hog!

But the real brains behind the plot and we have here documents which prove it irrefutably are those of a woman!!!

A woman or should we call her a monster? who lent her talents, her undoubted talents to a criminal cause her name is Bianca Castafiore, "the Misanthrope Nightingale"!

Look at them, Captain... They're obviously suspicious. And if they don't eat that food they'll go on drinking. So the revolution will fail... and our friends the Thompsons will be shot!

There's the dog. He belongs to the primos. I'm going to give him some of that vitaminized stew. If he eats it, we will too. Otherwise...

He's right!

Taaree!

Doggywoggy? Come come come come.

Never mind, I'll be able to reward them with appropriate generosity as soon as I've chucked out that vile Tapioca. I'll admit them all to the Order of San Fernando.

Tomorrow afternoon we'll arrive in Tapiocapolis and that'll soon be re-named Alcazaropolis. It's the opening day of the carnival. Before we reach the city we'll rehearse our plans to the very last detail.

We'll be dressed in the Jolly Folies costumes, with our guns at the ready.

With orders not to see them.

The next afternoon!

This is it, my brave Picaros! We're here! ... Now each of you guys remember what you have to do.

Meanwhile

Are you sure it isn't dangerous, General, letting all these people assemble in front of the windows? You'll be a sitting target for the first Picaro.

No danger, Colonel.

Even if by some extraordinary chance armed Picaros managed to infiltrate the crowd, they'd be far too drunk to shoot straight! As you know, my parachute drops of whisky have been a total success.

My spies have been quite definite. Alcazar's men are never sober. And they'd be quite incapable of engaging in any serious action, poor fools.
